### Program for 4-year-olds and entering kindergartners:

Your child will learn beginning phonics and reading readiness skills, build comprehension, and develop a love of books and reading. This program lays the foundation for a strong start in reading and school.

### Program for entering 1st graders:

In this program, students learn to read independently. Your child will learn phonics and sight words, build comprehension, and gain the skills and confidence needed for success in first grade.

### Program for entering 2nd graders:

In this program, students become fluent, independent readers. Your child will make significant gains in phonics and word-attack skills, fluency, and comprehension, and will develop confidence and a love of reading.

### Program for entering 3rd graders:

In this program, students become strong independent readers. Your child will develop the comprehension, fluency, and long-word decoding skills needed to read longer books with ease, and will build confidence and a love of reading.

### Program for entering 4th and 5th graders:

In this program, students make substantial gains in comprehension and increase fluency and reading speed. Your child will complete homework more quickly and easily, get better grades, and become a strong, enthusiastic reader.

### Program for entering 6th-8th graders:

Students in this program make substantial gains in comprehension while doubling reading speed. They also learn the best way to read textbooks, take notes, and study for tests. As a result, students complete homework more quickly and easily, get better grades, and enjoy reading more.

### Program for entering 9th-11th graders:

Students double reading speed, make substantial gains in comprehension, and learn study skills. Excellent preparation for the SAT, ACT, and college.

## Teachers

Programs are offered as a community service by Duquesne University, School of Leadership and Professional Advancement. Classes are taught by professional instructors from the Institute of Reading Development.

## Exciting Results

“I would like to thank you for such a positive outcome with my son James. He learned skills that have translated into wonderful grades, and more importantly, have given him more confidence in his reading abilities. He has actually asked to go to the library to pick out a book!”

- Parent of 4th grader
